

TINNITUS SUPPORT GROUP

Guest Speaker -
Geoff Billings from RCHT Audiology

Truro Tinnitus Support Group

Next Meeting:
Thursday 30th June 2022
10.00 – 12.00

Health and Wellbeing Innovation Centre on the RCH Treliske

The group is being organised by volunteers John and Sarah. Sarah says “I've suffered with tinnitus for some time now and when we realised there was no BTA registered support group in Cornwall, we thought it would be worth the effort to see what interest there would be in forming one. We hope this will be the start of a thriving group for mutual support and exchanging information”.

Colette Bunker, BTA Volunteer and Support Group Manager comments: “Being among people who have tinnitus, listening to their experiences and how they manage it, can be a tremendous help. I witness this first hand when attending group meetings. It is amazing seeing the difference it makes to people, especially those who have recently been diagnosed.”
