

Lipreading and Managing Hearing Loss

wea.org.uk

Lipreading

This course is designed to give practical help in managing hearing loss in a friendly, supportive, and relaxed atmosphere with others experiencing similar difficulties. Practice lipreading skills, and learn about the theory, communication, and coping strategies. Take a step-by-step approach to help improve confidence, and the ability to communicate and generally participate more fully in everyday life. The course is also suitable for those supporting others with hearing loss and communication difficulties at home or in the workplace.
